IoT Connect Solution Customer Check List

Confidentiality

This document contains confidential and proprietary information of NTT Limited ('NTT'). {ClientFull} ('{Client}') may not disclose the confidential information contained herein to any third party without the written consent of NTT, save that {Client} may disclose the contents of this document to those of its agents, principals, representatives, consultants or employees who need to know its contents for the purpose of {Client}'s evaluation of the document. {Client} agrees to inform such persons of the confidential nature of this document and to obtain their agreement to preserve its confidentiality to the same extent as {Client}. As a condition of receiving this document, {Client} agrees to treat the confidential information contained herein with at least the same level of care as it takes with respect to its own confidential information, but in no event with less than reasonable care. This confidentiality statement shall be binding on the parties for a period of five (5) years from the issue date stated on the front cover unless superseded by confidentiality provisions detailed in a subsequent agreement.

Terms and conditions

This document is valid until 11 July 2019 and, in the absence of any other written agreement between the parties, NTT and {Client} acknowledge and agree is subject to NTT's standard terms and conditions which are available on request. NTT reserves the right to vary the terms of this document in response to changes to the specifications or information made available by {Client}. Submission of this document by NTT in no way conveys any right, title, interest, or license in any intellectual property rights (including but not limited to patents, copyrights, trade secrets or trademarks) contained herein. All rights are reserved.

NTT does not assume liability for any errors or omissions in the content of this document or any referenced or associated third party document, including, but not limited to, typographical errors, inaccuracies, or out-dated information. This document and all information within it are provided on an 'as is' basis without any warranties of any kind, express or implied. Any communication required or permitted in terms of this document shall be valid and effective only if submitted in writing.

All contracts with NTT will be governed by {Law} Law and be subject to the exclusive jurisdiction of the {Law} courts.
