students to take care of

Thousands

of learning insights to analyse

Are you?

TEACHER

Too much data
to collect and
analyse

Trying to diagnose
the needs of
dozens of students

Working overtime

Unable
to personalise
learning activities
for all students

STUDENT

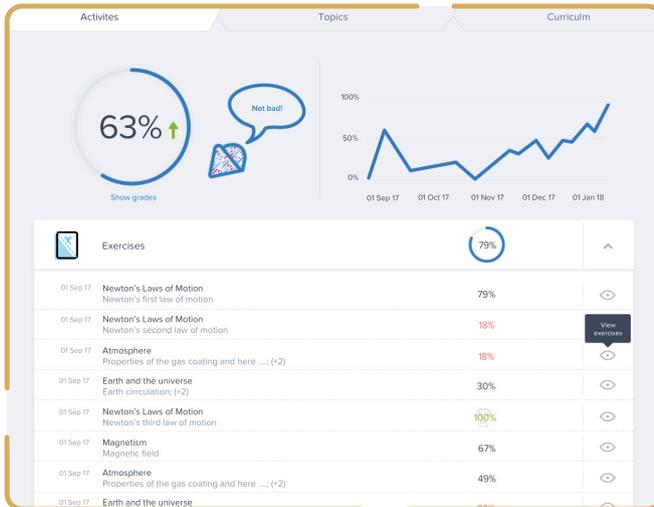

Finding
motivation
to learn
is difficult

It's hard to know
what my learning
gaps are and what
I should study

Peer pressure
to own expensive
devices

Waiting weeks
to receive results
is frustrating
and stressful
