Nuventive Improvement Platform

Nuventive turns your plans into progress.

To achieve their purpose, your strategic initiatives can't live in silos. They need to be connected to your analytics and reporting systems, so everyone can map their progress and see what moves the needle on your strategic goals. With Nuventive, relevant operational data sits next to your plan - in the same screen - so you can drill down to understand your progress with live or snapshot-in-time information. Because people will use the best information to make decisions, your initiatives can result in progress.

Build a sustainable data-informed culture with Nuventive

Institutions with a data-informed culture can achieve more, improve faster and adapt better. To improve and transform any aspect of your higher education institution, Nuventive enables you to:

The Nuventive COVID-19 Response Hub is also available on the Azure Marketplace

The screenshot displays the product page for the Nuventive COVID-19 Response Hub on the Azure Marketplace. The page features a navigation bar with the Microsoft logo, 'Azure Marketplace', and a search bar. The main content area includes a product image, a 'GET IT NOW' button, pricing information, categories, support links, and a detailed description of the product's capabilities. A sidebar on the right shows a preview of the software interface, which includes a dashboard with charts and tables.

Drive progress across your crisis-response initiatives.

Drive progress across your crisis response-initiatives, including scenario planning, by linking your plans to the best information sources inside and outside your higher education institution, so you can adjust strategies as new information and changes arise.

- See your progress
- Adapt your plans as conditions change
- Use the best information available now
- Capture your organization's best thinking
- Be up and running in a week or less

The Nuventive COVID-19 Response Hub includes:

- Quick-start cloud solution pre-populated with a framework to bring your institution's COVID-19 plan to life.
- Easily accessible links to the best available information in your existing BI system, external web pages, documents, news articles, and more.
- Survey for faculty and staff on their welfare in facing COVID-19 from UC San Diego's Tritonlytics team, with results linked to your plan in Nuventive.

Advance your crisis-response initiatives on such high-priority challenges

Why might you want to purchase Nuventive through the Azure Marketplace?

Potential advantages for your institution, if you are already a Microsoft customer

- Contract terms are defined (We will still agree to a separate set of terms & conditions around the license.)
- May be able to avoid competitive bid if it meets your institution's requirements
- Billing is handled by Microsoft, an approved vendor

Why you might prefer to purchase through the Azure Marketplace, depending on the rules in your institution

- Potentially eliminate requirement for competitive bids due to existing vendor relationship with Microsoft
- Potentially avoid competitive bids based on the dollar value of the procurement

Process flow for purchasing the Nuventive Improvement Platform – Premium on the Azure Marketplace
