## OAKWOOD + UNIFIED DATA ESTATE MIGRATION

### CONSOLIDATE, GOVERN, AND MODERNIZE YOUR DATA PLATFORM

#### ABOUT US

Oakwood is a Microsoft Solutions Partner helping organizations modernize applications, infrastructure, and data platforms to stay competitive in a digital-first world. With deep expertise across Azure, Data & AI, Application Innovation, Modern Work, and Managed Services, Oakwood delivers the strategy and tools to turn innovation into enterprise-ready outcomes.

Our Unified Data Estate Migration service helps organizations consolidate siloed data into Microsoft Synapse or Fabric, creating a secure, governed, and scalable foundation. In just 12–16 weeks, Oakwood delivers a modernized data platform that reduces costs, improves compliance, and prepares your business for advanced analytics and AI adoption.
