

# Public Sector Finance Accelerator

Powered by Microsoft Dynamics 365

Public Sector finance departments often face challenges related to manual processes, fragmented systems, complex regulatory requirements, inadequate reporting, and more.

Introducing the **OnActuate Public Sector Finance Accelerator**, a tailored service package designed to get government finance departments up and running in Microsoft Dynamics 365 Finance within 15 weeks.

A go-to partner, OnActuate brings government services into the digital age to replace 3rd party solutions and increase efficiency with Microsoft Business Applications.

*Powered by Microsoft Dynamics 365, secured by Microsoft Azure Cloud, streamlined with Microsoft Copilot and enhanced with Microsoft Power Platform.*
