

# Client Security

90%

Potential alert fatigue reduction

10<sup>15</sup>

Proven log platform with more than  
10 petabytes of daily ingestion

Limitless cloud speed and scale

*"Our mission is to **help** our customers reducing risks, increasing protection against modern **threats** and **accelerate** business opportunities"*

## Client Security Workshop

- Microsoft Modern Management overview
- Discovery Session
- Azure AD
- Microsoft Endpoint Manager
- Autopilot
- Co-management
- How to move forward
- Recommendations and Next Steps

## Workplace Management & Security

We design and create the next generation Workplace optimized for your organisation. Design and architecture, Zero trust models and Secure Mobility. We will help you focus on the things that enhances the end user experience especially in the Covid-19 times we live in. Establishing a roadmap for the development of our Smart Modern workplace over the next years and where to start. We at Onevinn can help you with implementing the Smart modern workplace according to the roadmap established during the workshop
