

In today's world, employees want more flexible remote work options and meaningful in-person collaboration. Training people to thrive in a more flexible world of work requires rethinking everything from how to empower managers, to how to create culture.

And that's where Microsoft Viva comes in. As your employees face a growing work-life imbalance, increased burnout and declining well-being, and your teams and organization face declining social capital, there is an urgent need to digitally reimagine the employee experience.

Learn how Microsoft Viva, an integrated platform built on top of Microsoft Teams, will help your people do their best to thrive in the new reality.

Microsoft Viva Workshop

Learn how Microsoft Viva helps organizations deliver personalized experiences to their employees with news, tasks, and conversations, provide data-driven insights and recommendations, organize content and experience, and deliver formal and informal learning when and where it's needed.
