

# MICROSOFT POWER BI

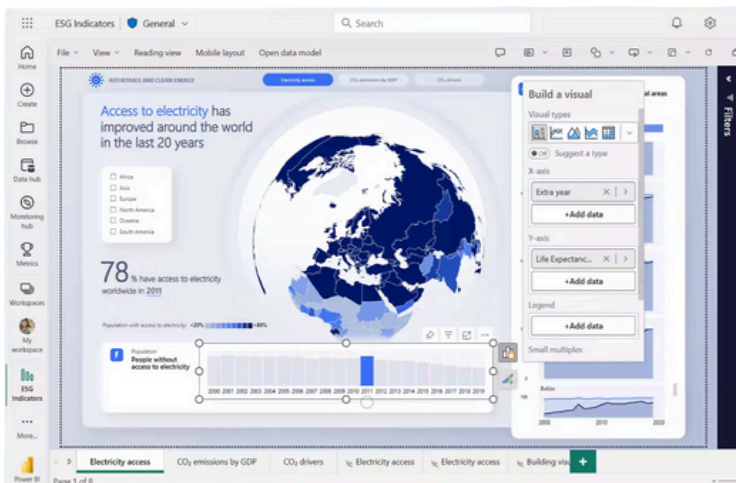

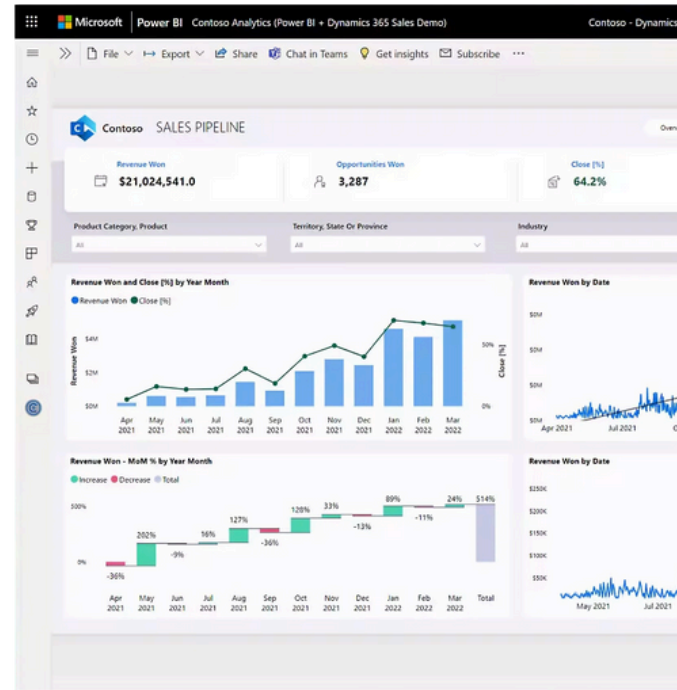

Any Data, Any Way, Anywhere

Bring your data to life in just a few seconds. Microsoft Power BI transforms data into rich visuals that you can organize any way you want, freeing you to focus on what matters most to you. Stay in the know and spot trends as they happen. Experience powerful self-service features that push your business forward.

## WHY POWER BI?

-  Live Dashboards
-  Interactive Reports
-  Connect data from Excel, Google Analytics, SQL, databases, custom connectors, and more
-  Embed and share reports in Microsoft Teams, Excel, PowerPoint, and Power Platform
-  Meet requirements and gain end-to-end visibility with Microsoft governance, security, and compliance

**GET POWER BI FOR AS LOW AS \$10 PER USER/PER MONTH**
