

90-Minute Interactive Copilot 365 Workshop

Join us for an engaging and interactive 90-minute workshop designed to showcase the full potential of Microsoft Copilot 365. This session is perfect for anyone looking to enhance their productivity and leverage AI in their daily tasks.

Our workshop includes:

1. Live Demonstrations of Copilot Features:

See Copilot in action as we walk you through its key functionalities and how it can streamline your workflow.

2. Interactive Q&A Sessions:

Get your questions answered in real-time by our experts, ensuring you leave with a clear understanding of how to make the most of Copilot.

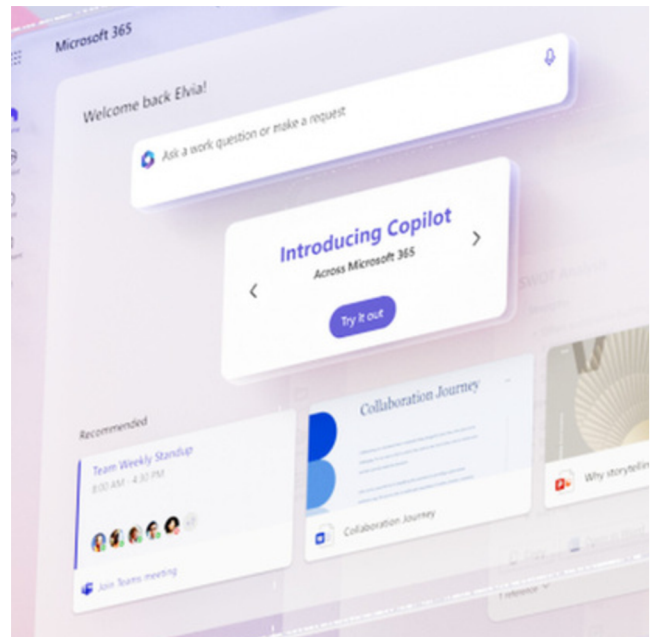

3. Breakout Discussions for Scenario Brainstorming:

Collaborate with fellow teammates to brainstorm and discuss various scenarios where Copilot can be effectively utilized within your organization.

4. A Brief Hands-On Exercise Using Copilot:

Put your knowledge to the test with a practical exercise, giving you the opportunity to experience Copilot's capabilities firsthand.

Don't miss this opportunity to transform the way you work with the help of Microsoft Copilot. The best part about this? Our workshop is completely FREE. Take the first step towards a more efficient and productive future! Get started by sending us a message at <https://www.opkalla.com/contact>.
