

We are Lenvi
If you lend, we'll
help you lead.

**Deliver more powerful, relevant and
responsible lending solutions.**

We are revolutionising lending

Brilliant minds and future-proof technology.

Powerful, responsible, streamlined processes for lenders.

Smooth, secure and personal journeys for customers.

We call it **Fintech+**, and it's the whole foundation of the Lenvi story.

Built on decades of real world experience at the cutting edge of finance, we're here to help you build a better future.

With powerful, agile and responsible technology.
With heritage, skill and experience.
With our expertise and your drive.

Together, we're the future of lending.

Powerful, relevant and responsible lending technology

Want to scale fast while still remaining agile?

Meeting customer demands is all about making sure you can adapt to tomorrow's needs in a rapidly evolving environment.

It's about moving on from manual processes and regulatory systems.

Staying compliant while still finding room to manoeuvre.

Preventing fraud and protecting your firm while still treating customers fairly.

Scaling quickly without sacrificing agility.

Lenvi's range of software and services are built to help you grow through superior technology and expertise.

All to deliver more innovation, more choice and more security. For you. And for your customers.

Future-proof solutions that unleash growth

Loan Management Systems (LMS)

Need to digitally transform your lending operations and grow your business without sending costs skyrocketing?

Lenvi LMS is the simple tool to transform your whole loan management lifecycle for smoother, simpler lending.

- Cut management costs
- Automate workflows
- Streamline applications
- Configure, customise and scale

Riskfactor Risk Management System (RMS)

Are your complex, expensive, time-consuming risk management processes no longer fit for the demands of 21st century lending?

Our Riskfactor technology, Lenvi RMS is the reliable, trusted risk management and fraud prevention tool to safeguard your receivables finance business.

- Reduce risk across your portfolio
- Prevent fraud
- Boost efficiency
- Focus on growth

Services that deliver efficiency, innovation and choice

Mortgage & Loan Servicing

Want to make borrowing faster and easier for your customers with friction-free, scalable lending options?

Meet ever-changing customer demands with outsourced services from highly skilled, multi-disciplinary teams of FCA-accredited agents.

- Scale your processes
- Lend your way
- Enable self-service
- Build on our expertise

Lenvi KYC

Need to safeguard your business and meet the latest KYC regulations without making life difficult for your customers?

Ensure compliance, understand exactly who you're dealing with, and protect your business.

- Compile and control KYC data
- Exceed compliance standards
- Audit information instantly
- Ensure total protection

Solutions to give lenders confidence and peace of mind

Lenvi Compliance

Want to make sure you're never at risk of fines or penalties even as you launch new products and offerings?

Support your internal teams to ensure every single service you offer operates in the right way.

- Meet strict risk targets
- Bolster your internal teams
- Set and follow regulatory frameworks
- Ensure full compliance

Lenvi Standby Servicing

Need that all-important extra peace of mind that comes from knowing your loans are backed no matter what the future holds?

Lend with complete confidence, knowing your portfolios are fully guaranteed.

- Protect all your lending funds
- Invoke instantly with real-time data
- Reassure customers of all types
- Mitigate all lending risks
