

Deploy What You Already Own

CONSOLIDATION WITHOUT COMPROMISE

Microsoft is a leader in the Gartner Magic Quadrant for Identity and Access Management, let Patriot help you migrate to the best of breed solution from Microsoft while eliminating the extra expense and overhead of 3rd party solutions.

The **Patriot** Solution

Patriot will perform an OKTA to Azure AD assessment

Fixed Fee of \$1,500 per Application

Two options for migration process:

> Train the Trainer

> Turn Key

(We'll show you how to migrate, or you can have us perform the full migration)

Deliverables: Project Plan, and Roadmap for OKTA → Azure AD

*Pre-requisites: This is for customers who have Azure AD Premium P1, EMS E3 or M365 E3 (or higher plans)
