CENTRALIZED SIGNATURE MANAGEMENT

STAY UP TO DATE AND MANAGE EASY

How could you be sure that employees are using the same and current e-mail signatures? Are you tired of organizing e-mail signatures each time a new employee onboarded to your company or role of an employee or just a telephone number changed? You can solve all of the management problems with Sign&Go without any additional infrastructure investment. Just need one click to start with pay-as-you-go model.

Start managing your e-mail signatures. Choose your employees, create your signature designs and reflect your corporate identity.

START NOW

Update Hundreds Of E-Mail Signatures For Your Employees With Just One Click.

Establishment anniversaries, award ceremonies, product launch and every important moment can be shared with part of your e-mail instantly. E-mail signatures can be distributed to each employee by departments, users or locations like categories with simple grouping functionality.

Start using Sign & Go with few simple steps.

Everything you need is inside one place, employees, groups, company branded signatures and the dynamic team of our support.

Fill the request form

Click the link in our welcome e-mail to activate your account.

Create your e-mail signature, sync your users and group them if you want.

Distribute Sign & Go across your company.

Start managing your e-mail signatures. Choose your employees, create your signature designs and reflect your corporate identity.
