Discover Microsoft Viva Insights helps employees and business thrive with data-driven, privacy-protected insights and recommendations to improve productivity and wellbeing.

CHALLENGES

Over the last year, many of us have seen how easy it is for the line between work and life to blur.

- 85% say their wellbeing has declined
- And 56 % say their job demands have increased

IDEAL SOLUTION

Viva Insights provides privacy-protected insights and actionable recommendations that help everyone in the organization work smarter and achieve balance.

DESIRED OUTCOMES

1. Understand how you work and 2. Take action in the flow of your work. All of these are surfaced over multiple surfaces – From the Viva Insights Teams App (right next to your collaboration hub) to daily briefing emails to web dashboards.
