

Free Microsoft 365 Security Assessment

PENTHARA
TECHNOLOGIES

What is Penthara's Approach?

Security architecture
and hardening

Identity & access
management

Threat and access
management

Data Protection

Visibility

Our **Assessment Stages:**

Our Deliverables

After the engagement, we'll deliver a detailed report including:

-  A snapshot of the existing M365 tenant security configuration.
-  Practical recommendations for enhancing visibility and detection.
-  Prioritized & basic guidelines for further hardening the security posture of the M365 tenant.
-  Specific Microsoft 365 security best practices to align with current configs & operational processes.

Begin Your Security Improvement Journey?

Identify **gaps**, validate **configurations**, and gain **expert guidance** - all with a free, thorough assessment of your **Microsoft 365** environment.
