Power up with Microsoft 365 from Performance

Are you looking for a way to boost business performance, streamline your operations and secure your data? Do you want to leverage the power of the cloud and the best tools from Microsoft? If so, you need Performance Technologies as your Microsoft 365 partner.

M365 solution components:

Exchange Online: Cloud-based email and calendaring service that offers enterprise-grade security, reliability and compliance. Access email from any device, anywhere, and enjoy spam protection, encryption, and more.

SharePoint Online: Cloud platform that enables you to create, share and manage content, applications and workflows across your organization. Collaborate and automate your business processes with ease.

OneDrive for Business: Cloud storage service that lets you access, sync and share your files from any device. Store up to 5 TB of data per user.

Microsoft Teams: Cloud-based communication and collaboration hub that integrates chat, meetings, calls, file sharing and apps in one place.

Security for Microsoft 365: A comprehensive suite of security solutions that protect your data, devices and identity from cyber threats

Copilot allows employees to focus on more valuable work. By delegating repetitive tasks to AI, employees can dedicate their time to tasks that truly matter and add value

Why choose Performance for M365

With a team of 60+ certified engineers and a wealth of experience delivering projects across various industries, we are committed to helping you harness the full potential of Microsoft 365.

Unparalleled Expertise:

Our expertise and experience in delivering IT solutions for over 30 years. We have the knowledge and skills to handle any project, no matter the size, complexity or industry.

Most qualified Microsoft partner:

Our certification and recognition as the most decorated Microsoft Partner in Greece with multiple designations and specializations. We have proven our excellence and quality in delivering Microsoft solutions.

We focus on you:

Customer-centric focus on your goals and challenges. We will listen to your needs, understand your pain points and deliver solutions that meet your expectations and more.
