

Teams.Up Your Frontline Workforce

ABOUT PlanB. & MSFT Teams for Your Frontline Workforce:

With extensive solution development experience, PlanB. can help you improve workforce productivity through identifying top prioritized scenarios in your frontline workforce, leveraging the Teams platform. We will work with you to understand your environment and identify opportunities to help you achieve continuous business value from your Teams investment. As one of only a few Microsoft FastTrack Ready Partner in Germany and with industry and technology experience, you can count on us as your trusted partner in your transformation journey.

WHAT WE OFFER

Starting with a **Workshop to evaluate** your remote work options and the possibilities for your workday with the goal of getting your frontline workers started quickly with remote work and expanding with additional options at a later stage (holistical implementation plan).

Deployment & Security

Based on the actionable plan, We implement Microsoft Teams in your company, customize M365 services to meet your business scenarios & requirements, integrate line of business applications to digitize business processes and finally start the active, secure and sustainable use of Teams and other services such as identity & access management via Azure Active Directory and Microsoft Endpoint Management (MEM) with a selected pilot user group.

Meetings & Voice

Thereby we deliver purpose-built experiences for frontline workers with one integrated hub for productivity, collaboration, and communication – including Walkie Talkie, Task Management and Shift Management.

Adoption & Change Management

Based on our User Centered Adoption approach, we always focus on your employees and their working processes. With proven, interactive workshop concepts we achieve a high level of employee acceptance and thereby ensure a holistic introduction and sustainable use of new Microsoft technologies throughout the entire organization. Therefore, user adoption is not a sub-project for us, but an ongoing process to ensure that your investment is well worthwhile!
