THE MARKET

Large and Growing Addressable Market

- **Market Trends:** AI Automated Camera technology is rapidly becoming the norm at all levels. In the near future, a majority of sports facilities will be connected, revolutionizing the way we experience sports.
- **Market Potential:** There's a potential for ~1 million “smart courts”, translating to a **Total Addressable Market (TAM) of \$5B per annum**¹.
- **Emerging Sports:** Padel and Pickleball, currently the world's fastest-growing sports, have 100K courts as of 2023. This number is projected to double by 2026, indicating a significant market expansion.”

¹ Based on PlaySight Management analysis

Key Pickleball Stats for 2023

36.5 million
Number of pickleball players in the US

158.6%
Pickleball's average growth rate over the last 3 years

18-34
Largest age bracket of pickleball players (28.8% of total)

10,320
Number of places to play pickleball in the US

\$152.8 million
Pickleball paddle market size in 2021

7.7%
Forecasted compound annual growth rate through 2028

WE'RE ON A ROCKET RIDE TO BECOMING THE NEXT BIG THING IN PADEL AND PICKLEBALL 🚀

Pickleball and Padel are rapidly emerging as the fastest-growing sports globally and PlaySight is growing exponentially with it.

Pickleball

- We've partnered exclusively with top Pickleball franchise. Potentially leading to over 1000 clubs .
- Pickleball is growing worldwide. We've already partnered with Australia's National Pickleball League (NPL).

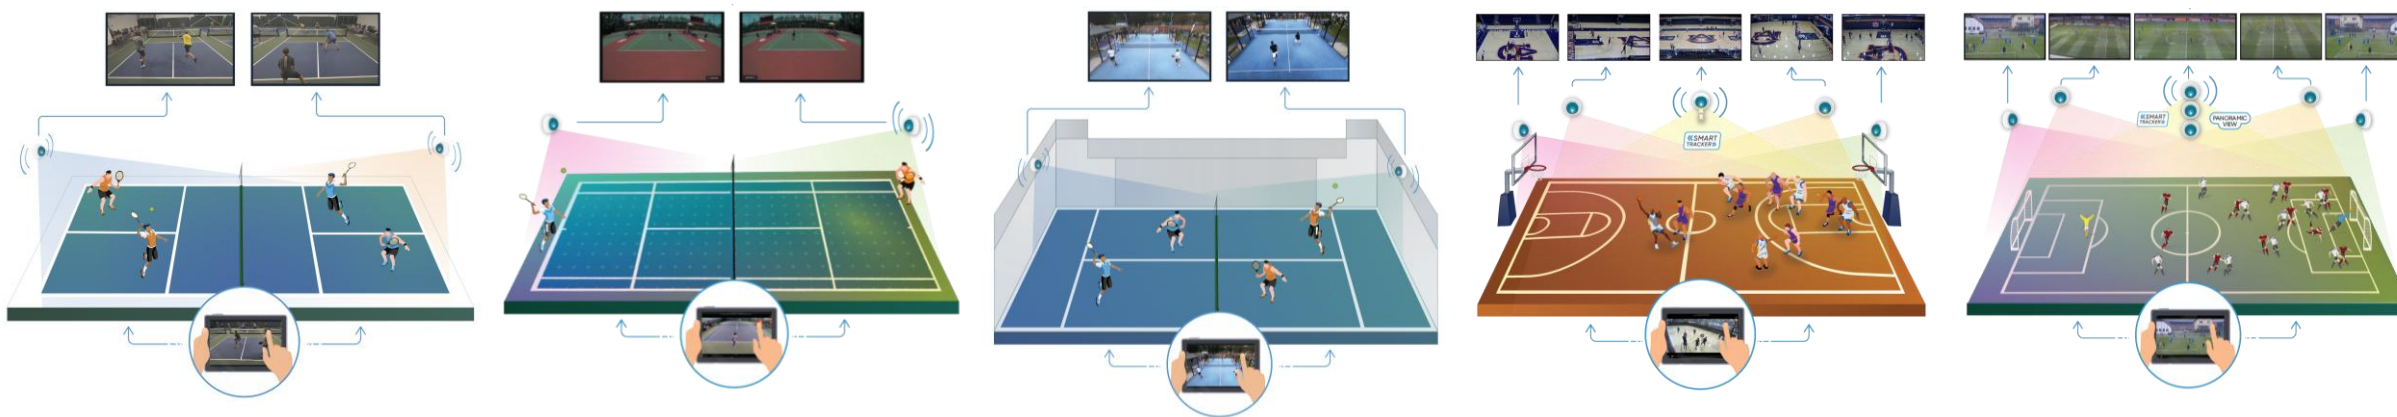

Padel

- We're signing Padel clubs across the globe.
- We're proud to be part of the first Padel chain in the US - Padel Haus and Reserve Padel.

SMARTCOURT AI TECHNOLOGY FOR EVERY SPORT

- A fully automated AI and deep-learning-based software solution for live streaming, advanced analytics, automated highlights, and VAR Light.
- Operates as a 100% software business, compatible with nearly all off-the-shelf camera solutions.

THE PLAYSIGHT EDGE

- **Brand:** Proven track record in sports technology across key markets.
- **AI Tech:** Best-in-class, patent-pending AI player and ball tracking technology.
- **Racquet Sport Leader:** Market leader in tennis, pickleball, and padel, partnering with major federations, academies, club franchises, and ~160 NCAA programs.
- **Next-Gen AI Automated Production:** Our multi-angle solution is the next generation of existing single-camera systems.
- **All Sports Solution:** Validated solutions for all racquet sports, indoor and outdoor sports.
- **All in one solution:** Comprehensive solution addressing market needs: automated production, player development, VAR, and OTT.
- **Portable & Fixed:** A blend of portable and fixed solutions for flexibility.
- **Smart Campus:** The only provider of a "Smart Sport Campus" solution for multi-sport campuses.
- **Team:** A passionate, hard-working team committed to standing side by side with our clients.

The future of sports is digital, and it's happening now.

Just as no runner would consider a run complete without their Strava, Runkeeper, or Garmin, in the near future, no athlete will settle for an analog court after experiencing the game-changing, immersive, and data-rich environment of a smart court. This is not just a prediction, but a revolution in the making.
