

# ENTERPRISE TRAINING WORKSHOPS

Private training workshops tailored to your specific needs delivered by industry experts

## Our Services

### Private Workshops

Peraison's private workshops provide bespoke, on-site training led by experts

### Tailored agenda course

The course agenda is tailored to your specific training requirements, ensuring you receive specialized instruction that addresses your organization's unique needs.

### Sessions on-site

Our sessions are conducted on-site at your location, the face-to-face interaction ensures every attendee receives the support they require.

### Customized training

Our customized enterprise training boosts adoption and builds expertise, leading to quicker skill acquisition and practical improvements for your business.

## Benefits

### Led by industry experts

Our trainers are developers with real world experience of delivering data and AI solutions. They understand the common challenges and how to overcome them

### Tailored to your level

Customised workshop tailored to your specific needs, focused on the topics that will deliver the most value to you. Beginner enablement through to expert-level content.

### Drive user adoption

Your company has made a huge investment in the technology and team to deliver it. Get the most out of both of these with a bespoke training workshop.

### Learn with your data

Our hands-on labs are built using your data. Your team will learn using the data most relevant to their job, the data they work with every day.

# ENTERPRISE TRAINING WORKSHOPS

Our training does not stop with the workshop, we provide an on-going training support service to ensure your team gets up-to-speed and can independently deliver value

## Training Support Service

### Piece of Mind

Experts on hand as you start your journey

### One-hour Sessions

Series of weekly workshops to help teams get up to speed

### Ongoing Trainer Access

Benefit from access to trainers as workshop knowledge is put into practice

### Goal

Resolve blockers, share best practices, reinforce lessons learnt
