## PRICING DOCUMENT

Enterprise Mobility & Security – Adoption Services

## 1 Purpose

---

The following document has been prepared to provide an understanding of the pricing offered for the associated service. The pricing is represented as guidance to support gaining an initial understanding of costs, however we would always encourage discussion to ensure that this can be appropriately shaped to match the requirements specifics to gain a fully accurate view.

## 2 Pricing Overview

---

PowerON can provide specialist Consultancy Service to provide a flexible model for the range of structures and options that can be provided to support the deployment and adoption of technologies within the Microsoft Enterprise Mobility & Security range into the customers environment. The primary costs elements are made up of the following:

- **Consultancy Services:** Based on the scope required and the level of support required PowerON will provide appropriate consultancy to support the delivery based on the following rate card:

Resource	Rate
Principal Consultant – Per Day	£1,280
Delivery Consultant – Per Day	£1,075
Delivery Engineer – Per Day	£895
Support Engineer – Per Day	£540
Project Manager – Per Day	£940
Engagement Manager – Per Day	£745
Onsite Expenses – Per Day	£150

Customers will need to own the appropriate licensing to support the engagement.
