

PPM Works Teams Rapid Deployment

Need help getting your remote staff armed with the tools they need to be productive? Let the experts at PPM Works get you up and running quickly with Microsoft Teams, your hub for teamwork in Office 365.

Let PPM Works Help You Get More Done

PPM Works Rapid Deployment Solution for Microsoft Teams is designed to get you up and running in a short amount of time. Let us show you how to use Teams to its full potential by setting up your custom environment, connecting your apps, creating automated flows, and showing you the ins and outs of this powerful tool.

Rapid Deployment

You will be up and running with your own Microsoft Teams environment in less than a week

M365 Integration

Use all your Microsoft 365 applications in one centralized tool

Interactive Training

Interactive sessions to learn how to collaborate effectively and use Teams to its full capability

Teams Support

PPM Works experts are available post deployment for any issues or questions that should arise

We are a Microsoft Gold Partner offering full-service Microsoft Work Management consultancy, focused on Microsoft 365, Project, Teams, Power Platform, and SharePoint services and solutions. Whether you're looking for a small tweak or complete overhaul, we have you covered. Our services are available a la carte so you get precisely what you need.
