TRAVEL MANAGEMENT SYSTEM

Powered by **opsigo**

Corporate Travel

*Managing corporate travel is never easy
From the vendor selections, booking changes,
travel policies, health and safety options.
Most corporations rely on people to manage
their Corporate Travel & Expenditure*

THE PAIN POINT

1

MANUAL PROCESS

*Contact your travel agency
by phone or email to book
your corporate travel
requirement*

2

NO SYSTEM INTEGRATION

*No integration with internal
system, manual process for
data entry*

3

LESS CONTROL

*No Travel Policy Control, to
measure Policy Compliance*

4

NO SAVING INSIGHT

*No measurement for potential
saving nor realized saving*
