

Azure Data Migration Strategy

Moving data to the cloud is at the core of all Digital Transformation initiatives. And it needs to have a strong strategy in place in order to meet objectives. This service assesses existing on-premises database platform(s), evaluates needs and recommends an Azure Data Migration Strategy to fit your environment.

4 - 8 weeks

Focus: Provide an Azure data migration strategy that is least disruptive to your current data, business operations, and services:

Assess

- ✓ Understand existing data platforms & issues
- ✓ Understand future data and information needs
 - ✓ Assess current architecture
- ✓ Assess cloud adoption maturity
- ✓ Review data quality, management, and governance practices & maturity

Analyze

- ✓ Gap analysis
- ✓ Architectural options
- ✓ Cloud / hybrid cloud data strategy
- ✓ Migration options
- ✓ New data requirements
 - ✓ Use cases and prioritization
 - ✓ Dependencies
- ✓ Compliance, security
- ✓ Data access patterns

Strategy

- ✓ Right-fit Azure Data Migration options
- ✓ Future-state database architecture
- ✓ Migration and cut over approach
 - ✓ Data security and compliance
 - ✓ Measures of success
- ✓ Plan with dependencies
 - ✓ Budgetary costs

Cloud Migration Strategy: Core of the Digital Transformation

Accelerate your digital transformation journey, with the right strategy around Cloud Data Migration

- Is your current data platform capable of supporting the handling of the large volumes and variety of data that you intend to leverage?
- Does your enterprise have any M&A plans that require migration of data from those systems?
- Are your data access systems having performance issues?
- Do your current data platforms maintain regulatory compliance?
- Are your data retention costs shooting up?
- Are your IT data & information systems and processes sufficiently agile to scale up to growing business needs?
- Are your infrastructure, software and maintenance costs increasing consistently?
- Are your projects delayed due to resource availability issues?
- Are you concerned about the huge costs for digital transformation initiatives?
- How secure and easily accessible is your data?
- What is the response time to on-board new data needed by the business?

Only Pyramid provides the advisory, project services and Intentionally Inclusive™ diverse talent sourcing & transfer, or managed services, that quickly unblock and progress your sustainable cloud journey.
