Cloud Realisation Workshop

Begin your Cloud Transformation Journey

quorum

Stay ahead of the curve, your competitors and retain your best talent by transitioning to the Microsoft Cloud.

Our Cloud Transformation Workshop is a no obligation, 4-hour workshop with your key stakeholders to take the first steps to:

- Understand your current-state
- Make sense of your technology platforms
- Demystify Microsoft cloud computing concepts
- Identify key Microsoft cloud workloads that will benefit your organisation
- Identify your high-level migration approach, ROI and operational benefits of moving to the Microsoft cloud

The output of this workshop will help you discover the business case to transform your legacy IT platforms to a Microsoft cloud model that rovides you with the competitive advantage you need.

Cloud Roadmap:
Our workshop covers key strategic workloads.

Leverage our experience and let us cloud-enable your organisation in areas that include:

- Architecture and migration
- Security and identity management
- Networking (WAN)
- Active Directory Domain Services
- Enterprise messaging (email)
- Client device environment
- Mobile Device Management
- Telephony and communications plat-form/s
- Intranet
- Collaboration and project site
- Document management
