

# Cloud Explore

## Microsoft 365 Transition Readiness Briefing

**Holistic Approach.  
Business Efficiency.  
Modern Security.**

### Briefing Highlights

- Stakeholder Envisioning Session
- Assess business technology challenges
- Explore Microsoft 365 capabilities
- Prioritize Use Cases and Success Criteria
- Strategic Roadmap
- Recommended Integrations
- Implementation and Adoption Recommendations
- Virtual Demo as applicable

### The Microsoft 365 Transition Readiness Briefing is designed for clients that need exploration and envisioning of Microsoft 365 transition requirements.

This envisioning offers IT and business stakeholders a unique opportunity to rapidly enhance their understanding of migration to Microsoft 365, leading them to consensus and a cohesive strategy for Microsoft 365 readiness. Our Subject Matter Expert will help you address your top-of-mind pain points and address relevant business objectives for the purpose of transitioning to Microsoft 365.

#### We'll work with you to:

- Discuss general dependencies around your environment
- Address Identity and Access Management needs
- Discuss requirements and dependencies for your messaging and message hygiene environment
- Address requirements for Collaboration
- Envision positioning of Security and Governance
- Discuss requirements for Endpoint management
- Address Adoption and Change Management needs

### Value proposition

The Microsoft 365 Transition Readiness Briefing provides clients with a comprehensive exploration and envisioning of Microsoft 365 transition requirements. It addresses common migration dependencies and offers IT and business stakeholders a unique opportunity to rapidly enhance their understanding of the migration process. This session enables stakeholders to gather recommendations and insights to maximize the benefits of Microsoft's Identity, Messaging, Collaboration, Endpoints, and Security.

### Why Ravanty?

At Ravanty, we excel in transforming businesses through Microsoft Cloud Services, leveraging our deep expertise and robust implementation frameworks. Our commitment to client success drives us to deliver tailored solutions that enhance productivity, security, and efficiency.
