We know Microsoft identity and security.

WHAT WE DO

Ravenswood Technology Group (RTG) focuses on being a top-tier provider in Microsoft identity management, security, and data protection solutions.

Gold
Microsoft Partner
■ Microsoft

As a Microsoft Gold Partner, areas of expertise include:

- Planning, design, and implementation of identity- and security-based solutions
- **Microsoft Enterprise Mobility+Security (EMS)** services, including:

  - ✓ Azure Active Directory (AD), Azure AD B2C, and Privileged Identity Management (PIM)
  - ✓ Microsoft Information Protection (MIP)
  - ✓ Microsoft Cloud App Security (MCAS)
  - ✓ Microsoft Identity Manager (MIM)
  - ✓ Defender for Identity
  - ✓ Intune
  - ✓ Defender for Office 365
  - ✓ Defender for Endpoint
  - ✓ Microsoft 365 E5 Security Bundle
  - ✓ US Sovereign Cloud with Azure Government and Microsoft 365 Government (GCC High)

In addition to cloud-first solutions, we have deep expertise in On-Premises AD and Public Key Infrastructure (PKI).

Many of our AD projects focus on pre- and post-breach hardening including Security Tiering, Privileged Access Workstations (PAWs), Privileged Access Management (PAM), and Enhanced Security Admin Environment (ESAE) or "admin forests."

OUR TEAM

RTG's nationally located team is heavily weighted towards highly experienced architect-level consultants. Our team includes multiple:

MVP
Microsoft®
Most Valuable
Professional
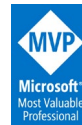

- Microsoft MVPs
- Microsoft Certified Masters
- Published authors
- Conference speakers

Simply put, we offer some of the best minds in the industry so that we can provide unmatched services to our local, national, and international clients.

WHO WE SERVE

RTG works with mid-market and enterprise customers. Regardless of company size, we customize the sophistication of the solution to match the customer's specific needs, capabilities, and maturity. Our clients represent a broad range of verticals, including:

- Aerospace & Defense
- Consumer Goods
- Construction & Engineering
- Financial Services
- Healthcare & Life Sciences
- Higher Education
- Manufacturing
- Media & Entertainment
- Professional Services
- Transportation & Logistics

HOW TO ENGAGE

Clients who engage RTG as a trusted third-party resource gain peace of mind and confidence knowing that their organization's cloud, hybrid and on-premises environments are smart, safe, and secure.

Contact us and we'll work with you to seamlessly plan, design, and deploy the three key infrastructure areas of Identity & Access, Security, and Mobility. Together, we'll translate the realities of your technology environment into lasting, reliable solutions.
