

EDUCATIONAL WORKSHOPS

Microsoft Dynamics 365 for Sales

Microsoft and Redspire co-host a series of online workshops, for customers in Financial Services. Each session is designed to help FSI organisations build resilience in the new operating environment.

Overview the technology, learn about the new features that are transforming the sector, see the capabilities in action and gain invaluable insights from our solutions specialists. Join our exclusive workshop to adapt and grow with the very latest technology, future-proof operations and excel in customer experience over the months and years ahead.

SESSION OVERVIEW

This session focuses on how to sell smarter and close deals faster with Dynamics 365 for Sales, enriched by the power of AI and LinkedIn Sales Navigator.

- Learn how to unify your rich customer data, company assets and top seller playbooks with free and advanced insights features across web-based dashboards and mobile.
- See how you can accelerate sales with predictive lead scoring and premium forecasting. Make use of your intelligent assistant at every stage of the engagement process.
- Activate high-velocity selling with in-context intelligent guidance so sellers can spend more time building the relationships that are most likely close.
- View visual and granular feedback, taking both the legwork and guesswork out of the team's day to day activity. Increase efficiency and productivity by identifying priority tasks and your key prospects.
- We'll close by showing you how Dynamics plus Sales Navigator can provide a 15% increase in sales productivity and explore the incredible integrations possible with Power Platform technologies.
