

## **Regain NSF to PST Converter Working Guideline**

**Regain NSF to PST Converter** is a software tool designed to convert IBM Lotus Notes NSF (Notes Storage Facility) files to PST (Personal Storage Table) format, which is compatible with Microsoft Outlook. This tool is particularly useful for individuals or businesses migrating from Lotus Notes to Outlook, or for recovering data from corrupted NSF files to be accessed in Outlook.

### Step-by-Step Working of Regain NSF to PST Converter:

#### **1. Download and Install:**

- First, download and install the [Regain NSF to PST Converter](#) software on your computer.

#### **2. Launch the Software:**

- Open the software after installation is complete.

#### **3. Add NSF File:**

- Click on the "Add NSF File" button to browse and select the NSF file(s) you wish to convert.

#### **4. Preview NSF File:**

- The software will scan and display a preview of the NSF file's contents, such as emails, contacts, calendars, tasks, and other data. You can verify the data before starting the conversion process.

#### **5. Select Output Format:**

- Choose "PST" as the desired output format. Alternatively, you can select other formats like EML, MSG, or MBOX if needed.

#### **6. Select Destination Folder:**

- Choose the destination folder where you want to save the converted PST file.

#### **7. Start Conversion:**

- After selecting the output format and destination folder, click on the "Convert" button to begin the conversion process.

#### **8. Monitor Conversion Progress:**

- The software will start converting the NSF file into PST format. You can monitor the progress of the conversion process.

#### **9. Completion Notification:**

- Once the conversion is complete, you will receive a notification. The converted PST file will be saved in the location you specified.

#### **10. Optional: Split PST File:**

- If the PST file is too large, you can choose to split it into smaller files for easier management and access.

#### **11. Finished:**

- The conversion is complete. You can now open the converted PST file in Microsoft Outlook or any compatible email client to access your data.

By following these simple steps, Regain NSF to PST Converter allows for a smooth and efficient conversion from [Lotus Notes to Outlook](#), ensuring data integrity and ease of use throughout the process.
