

ROBOTICS IN A DAY

FULL DAY WORKSHOP

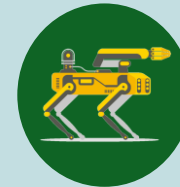

Robotics Engineer

AI Engineer

CREW
ON SITE

SPOT Robot
(Boston Dynamics)

Magni Robot
(Ubiquity Robotics)

Present existing solutions live

Magni Robot Navigation live
Demonstration

SPOT resilience testing

Individual Design Thinking

Magni Robot resilience testing

SPOT Autonom Missions
Demonstration

Receive all sensor data collected during
the workshop (Point Clouds, Videos,
Images etc.)

Possibility to control the robots on your
own (after a short onboarding)

SPOT Payloads Demonstration
