

TAKE YOUR INTRANET TO TEAMS WITH THE ACCELERATOR

Build an award-winning intranet with Microsoft SharePoint Online, Microsoft Teams, and a bit of magic from WM Reply's Accelerator.

The Accelerator by WM Reply is a suite of standalone components that plug the gaps not met by the standard SharePoint offering. Create a dynamic, targeted and accessible SharePoint intranet and deliver it through Microsoft Viva Connections.

BENEFITS OF THE ACCELERATOR

Seamless Integration
with Microsoft 365

Easy to Use
editing experience

Evergreen Updates
to ensure you're always
on the latest version

No Subscription
and no on-going
development costs
