

DISCOVER NEW MODES OF COLLABORATION

With Telephony on Microsoft Teams

Integrating your business telephony on Teams is :

BECOME MORE EFFICIENT

Employees have access to their virtual workspace and all their contacts from a single ergonomic and intuitive environment.

STAY CONNECTED

Make and receive phone calls easily on your Teams application, wherever you are (office, home or on the move) from your phone, PC or smartphone!

UNIFY ALL YOUR COMMUNICATIONS

Encourage collaborative work in your teams by centralizing your exchanges on a single platform.

Focus on Microsoft Teams

x16

#In 1 year, downloads of the Teams application have increased 16-fold!

OUR TRUSTED CLOUD PARTNER
