SCORE Now Available in the Microsoft Azure Marketplace

Microsoft Azure customers worldwide now gain access to SCORE to take advantage of the scalability, reliability, and agility of Azure to drive application development and shape business strategies.

Milan, Italy – October 28th, 2024 - Rexilience today announced the availability of **SCORE** in the Microsoft Azure Marketplace, an online store providing applications and services for use on Azure. **SCORE** customers can now take advantage of the productive and trusted Azure cloud platform, with streamlined deployment and management.

Rexilience is a leading provider of innovative cybersecurity solutions, dedicated to protecting organizations from evolving cyber threats. With a team of seasoned experts and extensive research experience, they specialize in delivering comprehensive security assessments and robust protection strategies. Their flagship product, SCORE (Security and Compliance Overall Risk Evaluation), leverages cutting-edge Microsoft technology to offer a holistic view of an organization's cybersecurity posture.

“We are excited to join the Azure Marketplace. With SCORE, we leverage the power of Microsoft technology to deliver robust cybersecurity solutions that protect our customers against cyber threats. Our comprehensive approach is highly beneficial for SMEs and large companies aiming to secure their supply chains. This partnership marks a significant step forward in our mission to provide unparalleled cybersecurity solutions to customers worldwide.” Said Nicola Boschetti, Managing Director SCORE.

“Microsoft welcomes SCORE to Azure Marketplace, where global customers can find, try, and buy from among thousands of partner solutions,” said Jake Zborowski, General Manager, Microsoft Azure Platform at Microsoft Corp. “Azure Marketplace and trusted partners like Rexilience help customers do more with less by increasing efficiency, buying confidently, and spending smarter.”

The Azure Marketplace is an online market for buying and selling cloud solutions certified to run on Azure. The Azure Marketplace helps connect companies seeking innovative, cloud-based solutions with partners who have developed solutions that are ready to use.

Headquartered in Milan, **Rexilience** serves a diverse clientele across various industries, helping them achieve regulatory compliance and secure their operations against potential threats. The company’s mission is to deliver comprehensive and robust security measures that ensure the safety and resilience of clients’ digital assets.
