Protiviti Microsoft 365 Solutions

Securely Collaborate and Work Anywhere with Microsoft 365

As the enterprise workforce has become more mobile, the basic productivity toolset has had to adapt and change to match new requirements. For just about any size enterprise, the productivity of its workforce revolves around the basic office suite of email, calendar, word processor and spreadsheet.

Microsoft 365 brings together Office apps with powerful cloud solutions, device management and advanced security to digitally transform the way organizations work. Our global team of Microsoft MVPs and experts help organizations realize the value, enable the security and implement the applications to digitize and modernize using the Microsoft Cloud.

Multi-Year
Microsoft Partner of the Year Finalist

Comprehensive Microsoft 365 Services

Planning & Deployment
After gaining understanding of the business, security, compliance and legal objectives, our team will define how Microsoft 365 can meet those objectives.

Migration
During migration, we help our clients accelerate their deployment of Microsoft 365 by enabling agility, reducing uncertainty and identifying the critical path required to begin their migration.

Data Protection & Compliance
Protect sensitive data across devices, apps, cloud services, on-premises and Microsoft 365 (Exchange Online, Teams, SharePoint Online, OneDrive for Business). Protect information from leakage, blocking undesired actions

Security
Our Microsoft Security solutions range from security assessment, strategy, roadmap, compliance, operations to managed service and implementation.

Change Management & Adoption
Provide a successful adoption plan with effective organizational change management based on communication, training, leadership, feedback and ongoing awareness.

On-Demand Support
Gain access to a team of certified Microsoft 365 experts on an as-needed basis. Our team members can complement your internal team with valuable skillsets needed to support, maintain and enhance your Microsoft 365 environment.

INNOVATE. TRANSFORM. SUCCEED.
