# Azure Landing Zone

## — About RSM:

RSM, with over 51,000 people in 123 countries, delivers the power of being understood to our clients, colleagues and communities through world-class audit, tax and consulting services tailored to meet the unique needs of middle market businesses.

## — Azure Landing Zone

The Azure Landing Zone will establish a robust and secure cloud foundation in Microsoft Azure, tailored to meet your immediate and future business needs. Our service provides a well-architected multi-subscription environment that enhances business agility, operational efficiency, and security compliance. By aligning cloud environments with your business objectives and risk tolerance, our solution ensures consistency in design and architecture, simplifying automation and scalability while improving cost management and accountability.
