Greenhouse Gas Applicability and Materiality with Sustainability Manager

— About RSM:

RSM, with over 64,000 people in 120 countries, delivers the power of being understood to our clients, colleagues and communities through world-class audit, tax and consulting services tailored to meet the unique needs of middle market businesses.

— What we offer

RSM's Greenhouse Gas Applicability and Materiality with Sustainability Manager will help you decrease compliance costs associated with climate-related disclosures and improve organizational efficiency.

Our experienced ESG Advisory and Technology team will work with you on a 4-week assessment designed to help you prepare for upcoming regulations. You will have a 30-day trial of the Microsoft Sustainability Manager to evaluate its capabilities.

We have developed an industry specific methodology that will provide a comprehensive report outlining the next steps your company should take to prepare.

*Future proof your
business while preparing
for regulations*
