RSM Natural Language Notification with Copilot

About RSM:

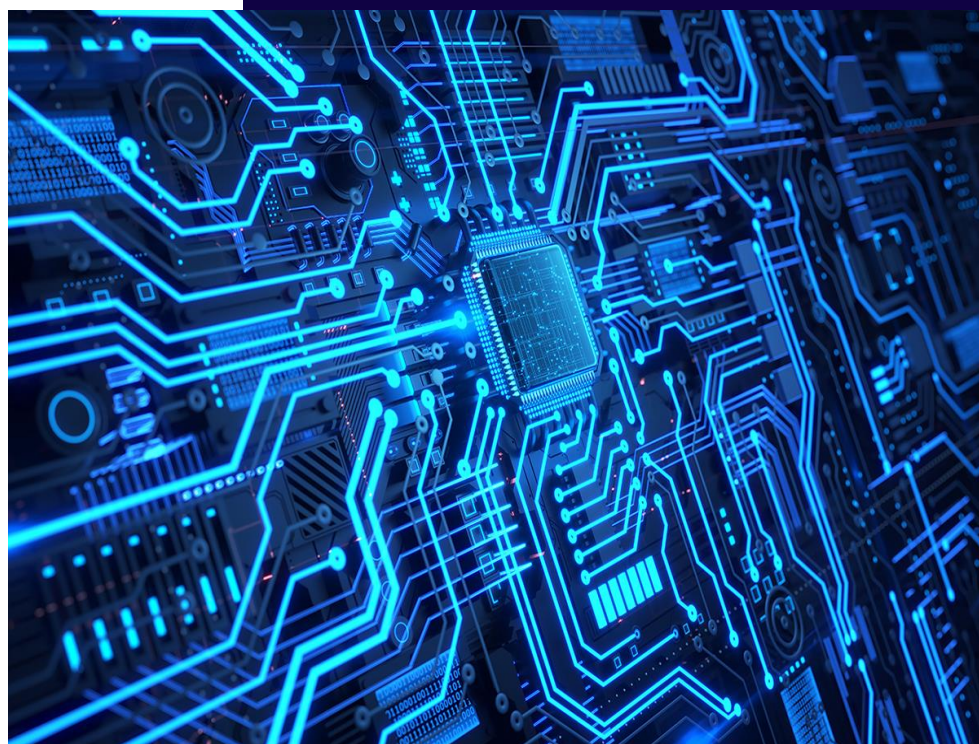

RSM, with over 64,000 people in 120 countries, delivers the power of being understood to our clients, colleagues and communities through world-class audit, tax and consulting services tailored to meet the unique needs of middle market businesses.

What we offer

RSM's Natural Language Notification with Copilot addresses several key operational inefficiencies by automating notifications and streamlining processes:

- Reduces manual oversight with effortless, custom notifications set through natural language prompts.
- Enhances operational efficiency across finance, sales, and supply chain by providing timely updates.
- Streamlines departmental operations with automated alerts, reducing downtime and minimizing errors.

Leverage an integration with Dynamics 365 Business Central to ensure efficient and timely notifications and enhance overall business performance with advanced AI capabilities.
