

# HR Technology for the Evolving World of Work

A mobile-first, end-to-end HCM suite for enterprises.

4.8/5

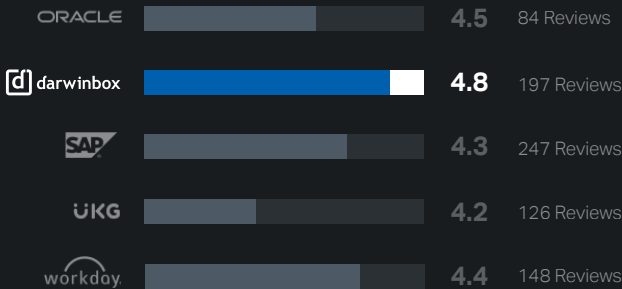

#1 Rated HCM Globally

Gartner®

Gartner Peer Insights "Voice of the Customer 2023"

Cloud HCM Suites for 1000+ Employee Enterprises

Darwinbox named as a **Strong Performer** on the Forrester HCM Wave™ 2023

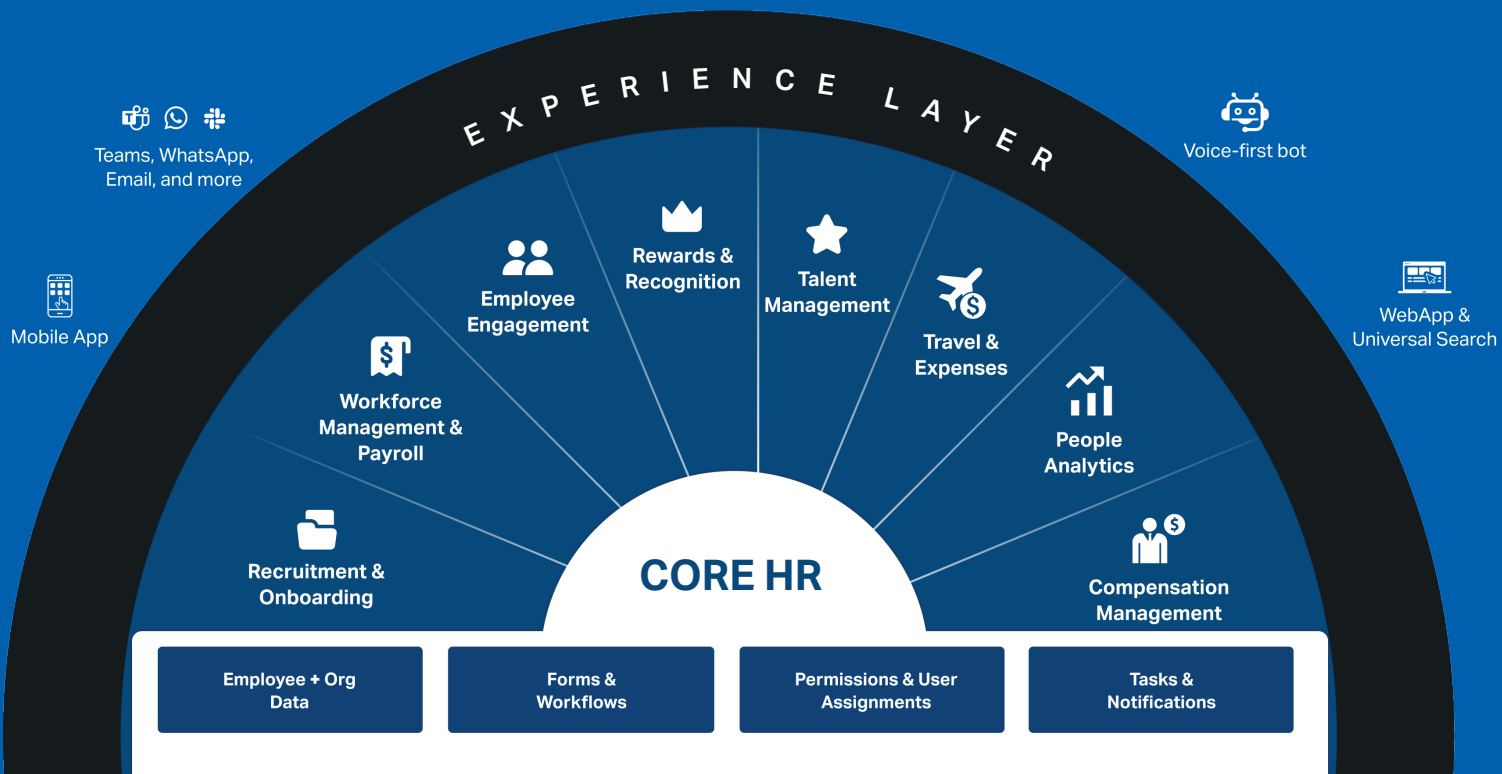

**Darwinbox is a next generation HCM that warrants attention**

I first saw Darwinbox in India back in 2017 and I was astounded with the depth and breadth of features. Since then I've done a number of deep dives, and I think it's really quite unique.

# Hire-to-retire

## On One Unified Platform.

# New Innovations from Darwinbox

AI-backed capabilities that enhance experience & efficiency, drive contextual decision-making, and streamline talent management.

Listen to your employees, analyze and act on the insights to create an engaged & productive workforce.

Attract, grow, and retain top talent with Darwinbox's Skills Graph, built on GraphDB, that encompasses 34,000 skills, across 38 industries.

Identify risks, uncover trends, recognize opportunities, and drill down into all your people data with robust reporting, analytics, and visualizations.
