

Adoption for VIVA

Improve the employee experience with AI, by making access to communications, knowledge, training and resources obvious.

By making you understand and adopt the philosophy of the Microsoft VIVA solution, our Adoption for VIVA offering helps companies foster a culture that enables individuals and teams to be their best everywhere.

What is Adoption for VIVA

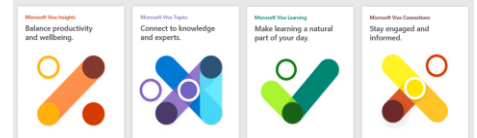

Our methodology places human well-being and consideration at the heart of digital transformation. It aims to optimize work methods while maximizing the level of well-being and commitment of each individual.

The objective is to obtain the greatest added value from the solutions implemented and to get the greatest benefit of the Microsoft VIVA solutions.
