

Drive Employee Engagement with Viva Connections

Connections is a company branded employee app in Teams. It provides a gateway to your employee experience, with personalized news, communications, tasks, people and resources – all in a single curated destination that can be configured for specific roles like frontline or shift workers

Why Sahara Watira

With an extensive employee experience practice, Watira can help you envision your desired state - one that brings people, data, and applications together in a single customized dashboard. Our team will work with you to understand your priorities, challenges, and culture to design a solution that meet your needs.

- Build meaningful connections via accessible communities and empower employees to contribute ideas/feedback
- Evolve your intranet into a central hub with easily accessible content and targeted updates powered by Microsoft Teams
- Plan for a customized employee dashboard providing quick and easy access to company resources from any device

How Watira can help you in your journey:

Available services depending on your needs and readiness

Plan

- Migrate and leverage the latest components of the Microsoft 365 Modern Intranet experience for Viva Connections integration: Modern Portals, Home Sites, etc.
- Create beautiful, dynamic employee experiences that are accessible across PC and mobile devices.

Implement

- Leverage the power of Adaptive Card Extensions (ACE) to enable critical LOB Apps, processes and information for Connections-driven employee experiences.
- Identify opportunities to connect employees in all roles, including frontline workers, to content and experiences.
- Identify and build communitydriven content and collaboration leveraging Yammer Communities and Microsoft Teams.
- Plan for a pilot of Viva Connections with a group of business users

Measure

- · Deploy and scale Viva Connections to every employee in your organization, on any device.
- · Build an employee dashboard to streamline visibility into key metrics and employee resources.
- · Showcase news and information to the right people with audience targeting.
- Explore possibilities with leadership connection site deployment
- Drive adoption and change management initiative to realize the value of your investment in Viva Connections
