

# Microsoft 365 Copilot Kickstart

Work smarter not harder, with the ultimate AI office assistant from Microsoft.

## Why

The Copilot Kickstart Program is a unique offer that helps customers to leverage the AI capabilities of Copilot and Microsoft 365 to improve their productivity, collaboration, learning and well-being.

## What

Our kickstart program covers three phases: Assess, Define and Execute, and provides various services and tools to ensure a smooth and effective rollout of Copilot. These include an analysis of the current situation and goals, a workshop on the possibilities and benefits of Copilot, the technical check and rollout of Copilot, a dashboard to track the usage and impact of Copilot, a training on how to create good prompts and a user adoption package with tips and tricks.
