SecWise Endpoint

**HOW TO MANAGE THE
LIFECYCLE OF YOUR
ENDPOINTS?**

SecWise Endpoint offering

Solution Description

- Fully cloud based solution – no on-prem components
- Review current endpoint management tools and processes, Define attention points and areas of improvement
- Redesign and optimize current tools and processes
- Design and Implement additional tools and processes to ensure endpoints and data stay secure

Solution Options

- Windows 10/11 & MacOSX
 - Light
 - Elevated
 - Advanced
- Mobile
 - iOS / Android
- Lifecycle – checkpoint reviews
- SecWise Care

Solution Goal

- Fully manage and control endpoints anytime and anywhere
- Enforce standards and baselines
- Deploy platform updates in a controlled way, and according to vendor cadence
- Provision new applications and application updates in an optimized way
- Optimized patching to improve endpoint security and reduce attack surface swiftly
- Modern device provisioning framework

SecWise Endpoint Flavours

1. Light

- License mgmt framework
- Customizations / Branding
- Enroll Windows 10 devices into MDM management
- Security Basics: Disk encryption, antivirus and firewall for Windows 10
- Windows 10 Quality updates management
- Deploy Microsoft 365 Apps

2. Elevated

- Basic compliance policies
- Windows 10 user driven and cloud-based device provisioning
- Windows 10 Feature Updates management
- Automated provisioning of 3rd party applications and application updates

3. Mobile

- iOS / Android
- Support for BYOD and Corporate Owned scenarios
- Device, application and data protection policies
- Conditional access to control and enforce policies

4. Advanced

SecWise Endpoint Prerequisites

1. Light

- M365 E3
- OR
- EMS E3
- OR
- M365 Business Premium
- OR
- M365 F1 / F3
- At least SecWise Identity implemented

2. Elevated

- M365 E3
- OR
- EMS E3
- OR
- M365 Business Premium
- OR
- M365 F1 / F3
- AND
- 3rd Party Patching Tool license

3. Mobile

- M365 E3
- OR
- EMS E3
- OR
- M365 Business Premium
- OR
- M365 F1 / F3

4. Advanced

- M365 E3
- OR
- EMS E3

SecWise Care

- Care subscription
