## FEDERAL CAPABILITY STATEMENT

### OVERVIEW

Semantic AI is a privately-held software firm headquartered in San Diego, CA with offices in Alexandria, VA with nearly two decades of federal past performance. Leveraging our powerful context engine helps your organization make sense of its most vital resource — your data. **Cortex Enterprise Intelligence Platform (EIP)** is a commercial off the shelf (COTS) next-gen platform for AI-powered analytics. It ingests structured, unstructured, & semi-structured data stored across multiple silos in different formats—empowering intelligence analysts and operational professionals to achieve decision superiority thru a common operating picture.

### DIFFERENTIATORS

Open Architecture | Data Agnostic | Open API  
Semantic Graphs & Visualizations | Flexible Schema | Adaptive Access-Not-Acquire | Data Ownership | Entity-Centric

### CORE COMPETENCIES
