**SENTINEL SERVICES JUMPSTART**

## **W365 Jumpstart**

With Windows 365, you can access a desktop computer from anywhere. It is available in Business and Enterprise SKUs and integrates easily with your current Microsoft 365 licensing. Allowing staff members to work from anywhere and use their own devices can be highly cost-effective due to pay as you go pricing and elastic workload potential. The Windows 365 Admin Center makes it possible to monitor every instance, which facilitates easy administrator management. With Windows 365, an organization can maintain their Entra policies to ensure anyone logging on adheres to all compliance and Data loss prevention policies.
