Objectives and key results

Viva Connections

Culture and communications

Keep everyone connected

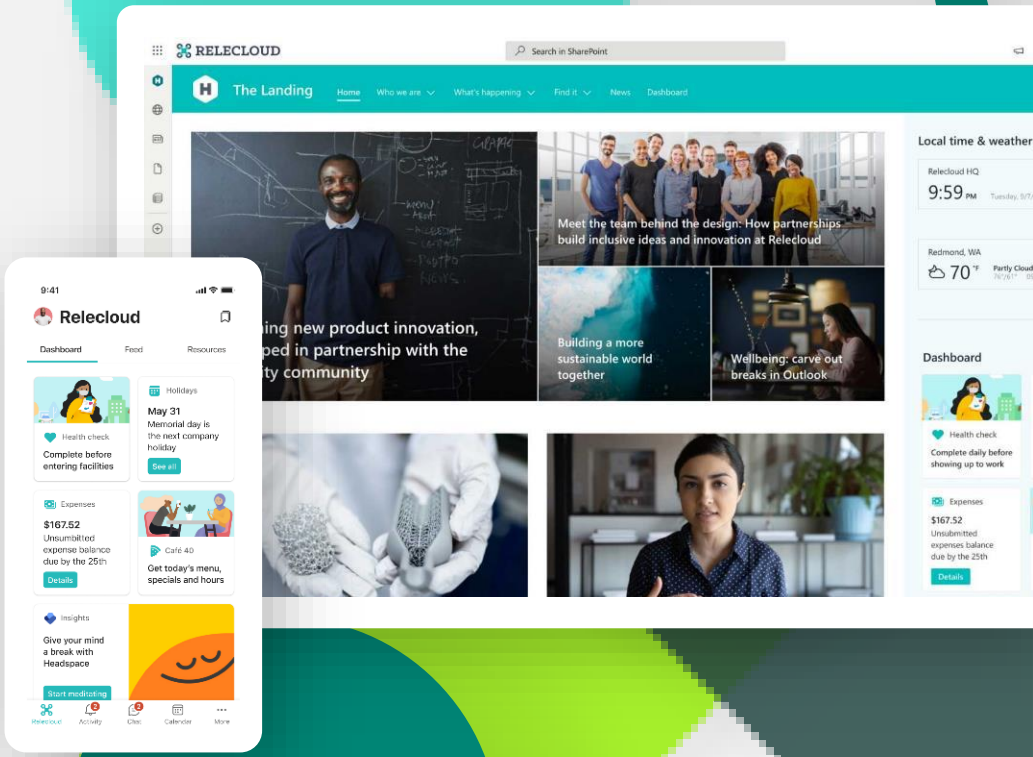
Encourage meaningful connections across the organization by enabling employees to easily discover relevant communications and communities.

Make it easy for people to contribute

Foster a culture of inclusion by empowering every employee to contribute ideas and share feedback.

Unite and inspire your organization

Align the entire organization around your vision, mission, and strategic priorities.



Learn more about Viva Connections at aka.ms/vivaconnections

Viva Insights

Productivity and wellbeing

Deliver personalized and actionable insights

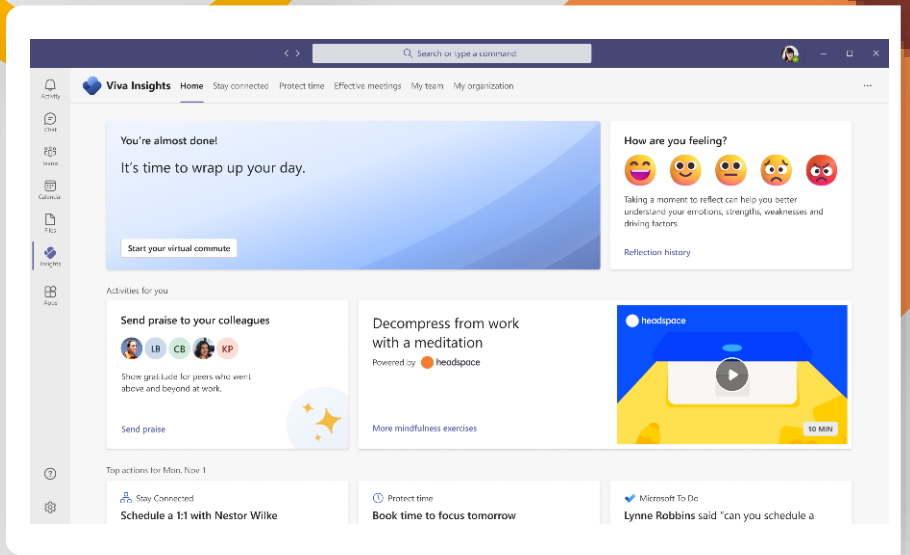
Empower individuals, teams, and orgs to achieve balance, build better work habits, and improve business outcomes with personalized insights and recommended actions.

Quantify impact of work on people and business

Gain data-driven, privacy-protected visibility into how work patterns affect wellbeing, productivity, and results.

Address complex business challenges

Use advanced tools and additional data sources to perform deeper analysis, address challenges important to your business, and respond quickly to change.



Learn more about Viva Insights at aka.ms/vivainsights

Viva Topics

Knowledge and expertise

Turn content into usable knowledge

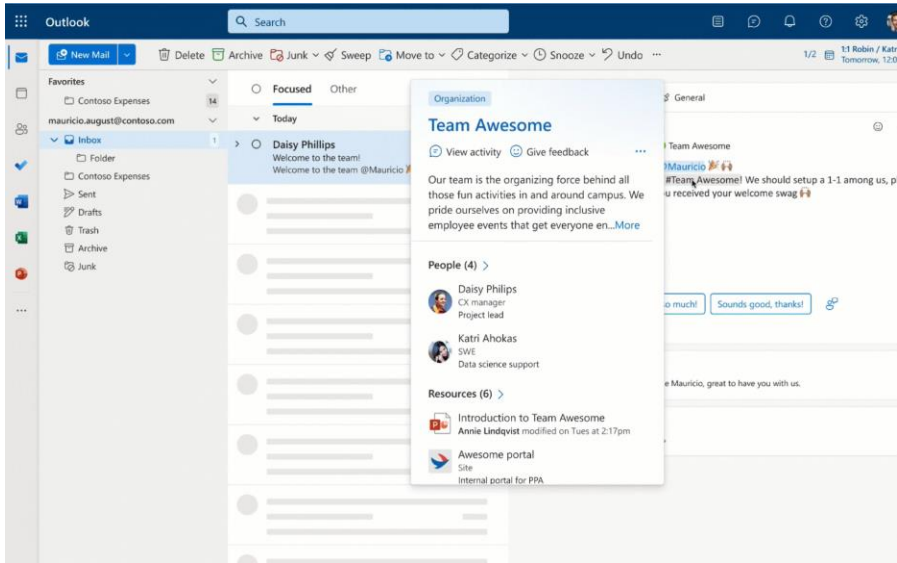
Use AI to reason over your organization's content and automatically identify, process, and organize it into easily accessible knowledge.

Organize knowledge into topic pages

Enable your organization's experts to share and refine knowledge through curated topic pages, automatically generated and updated by AI.

Make knowledge easy to discover and use

Deliver relevant topics cards in the apps people use everyday.



Learn more about Viva Topics at aka.ms/vivatopics

Viva Learning

Skilling and growth

Learn in the flow of work

Integrate learning into the tools and platforms where users already spend their time with Microsoft Teams and Microsoft 365.

Simplify and centralize learning

Bring together learning content and tools from different sources in one central hub.

Get personalized and relevant content

Find the right content and discover new skills with personalized recommendations and search.
