

Why choose Shaping Cloud?

01. A true cloud first focused Microsoft gold partner

02. Hybrid Cloud Partner, not provider

03. Extensive private sector, local and central government experience

04. One of the first early adopters of Azure

We're an SME that listens and cares, with a:

- Proven track record delivering strategy, transformation and managed services
- Collaborative approach, positive and friendly engagement with their teams
- Realistic and pragmatic advice, based on real-world operational experience
- Breadth and depth in technical knowledge - legacy, hybrid and cloud
- Public Sector (NHS / Local and Central Government) and many Industry Verticals
- Agile, flexible and tailored approach

We engage to understand the Organisation's challenges, not just IT Landscapes to drive value and insight.
