Email success@cognni.ai

Information protection begins with knowing what information you have and where it lives.

How does Cognni provide superior coverage?

 We shift the focus of information classification beyond regulated keyword & term searches to uncover abstract critical information.

Regulated data

- o Social security numbers
- **O** GDPR Information
- O Personal Info
- o Credit card numbers

Your Company's Critical Information

o Legal - POA, Agreements...

🔿 cognni

- **O HR** Recruitment, Descipline...
- **O** Finance Salaries, Accounting...
- **o Governance** Committees...
- **O Business** SOW...
