Microsoft Cloud Digital Transformation

Cloud 

# SHI Microsoft Team Services

Envision

Go Live

## Microsoft Teams Deployment

This engagement is intended to assist customers with deploying Microsoft Teams in their organization. This includes the assessment workshops, as well as additional planning and working sessions to meet the configuration needs of the customer.

We also create a Teams Pilot and provide the customer a detailed Teams Deployment plan.

## Microsoft Teams Adoption

We also include Knowledge Transfer for the administrators, and ACM (Adoption and Change Management) guidance.

ACM services include communication and training plans.

- Deliverables**
- Virtual Planning and Working Sessions
  - Teams Deployment & Adoption Plan
