# Drive Employee Engagement with
Viva Learning

Discover how Microsoft Viva Learning helps organizations drive upskilling and growth with a center for Learning in Teams and Microsoft 365. Empower employees to make learning a natural part of the day by bringing learning into the flow of work within the tools and platforms they already use. Discover, share, recommend, and track learning across a variety of sources with Viva Learning.

How Signal Alliance Consulting can help you in your journey:

Available services depending on your needs and readiness

Approach & Deliverables

Assessment & Deployment

- Leverage the latest components of the **Microsoft 365 Modern Intranet** experience for viva Learning

- **Configure learning sources** and access free courses available on LinkedIn Learning, Microsoft Learn & Microsoft 365 training

- Configure SharePoint as a source to **connect to your custom-built and User Generated Content (UGC),** leveraging Viva Learning's SharePoint connectors.

Adoption and Managed Services

- **Drive trainings and guidance for leaders** and managers on fostering a learning culture and maximize investment.

- Ensure fresh content is featured in Viva Learning by **managing your content services and targeting the right groups within the organization.**

Strategic Consulting

- Provide guidance to leadership team on **strategy to reinforce learning as a value add for your employees.**

- **Advise** on how to rationalize existing learning investments by identifying the key content sources that have the most impact on employee learning.

Viva Learning License required for premium functionalities like
- Learning recommendation & Tracking
- Access to several 3rd party Learning Content providers

Expected Outcomes

- The Viva learning application deployed in Microsoft Teams.
- Access to free learning courses available on LinkedIn Learn, Microsoft Learn, Microsoft 365
- Custom Learning Library built on SharePoint where knowledge managers can upload training materials
- Adoption campaign and admin training
