FAQs

1. Who do I contact if I have a support query?

Your Microsoft business partner

2. Is there a limit on the number of bank accounts we can add?

No, bank accounts are unlimited

3. Can I add accounts from multiple banks?

Yes, for all supported banks

4. Can I get historical data?

Data is available from the date of approval from the bank

5. Is the data accurate?

Yes, data comes directly from the core-banking system

6. Why can't I get all my desired accounts?

Each bank provides certain account types only

7. Do I need to sign the authority form?

Yes, this is a bank process requirement
