P13	Next Steps

About Slalom

WHAT WE DO

Slalom is a **purpose-led, global business and technology consulting company.**

From strategy to implementation, our approach is fiercely human. We deeply understand our customers—and their customers—to deliver practical, end-to-end solutions that drive meaningful impact.

Microsoft

Microsoft & Slalom achieve more together.

Our business was built on Microsoft, and for nearly two decades, we've delivered innovation together. It starts with our shared purpose: realizing greater impact through collaboration and enabling every person and organization on the planet to achieve more.

We're partnering with change-making clients to shape the future around Microsoft technology—that's because as we look to the next two decades and beyond, we know the future will be built on Microsoft, too.

How do you know you are not properly measuring your organization's objectives and key results?

Do you get surprised by your organization's reports?

Do you have a business strategy?

About Viva Goals

Increase engagement and success with OKRs and Viva Goals

Alignment

Ensuring everyone is rowing in the same direction across the organization and pulling on the same rope

Focus

3-5 OKRs per person per quarter, with the power to say "no" and prioritize work effectively

Transparency

Ownership of core outcomes across the organization creates clear accountability and surfaces dependencies and roadblocks

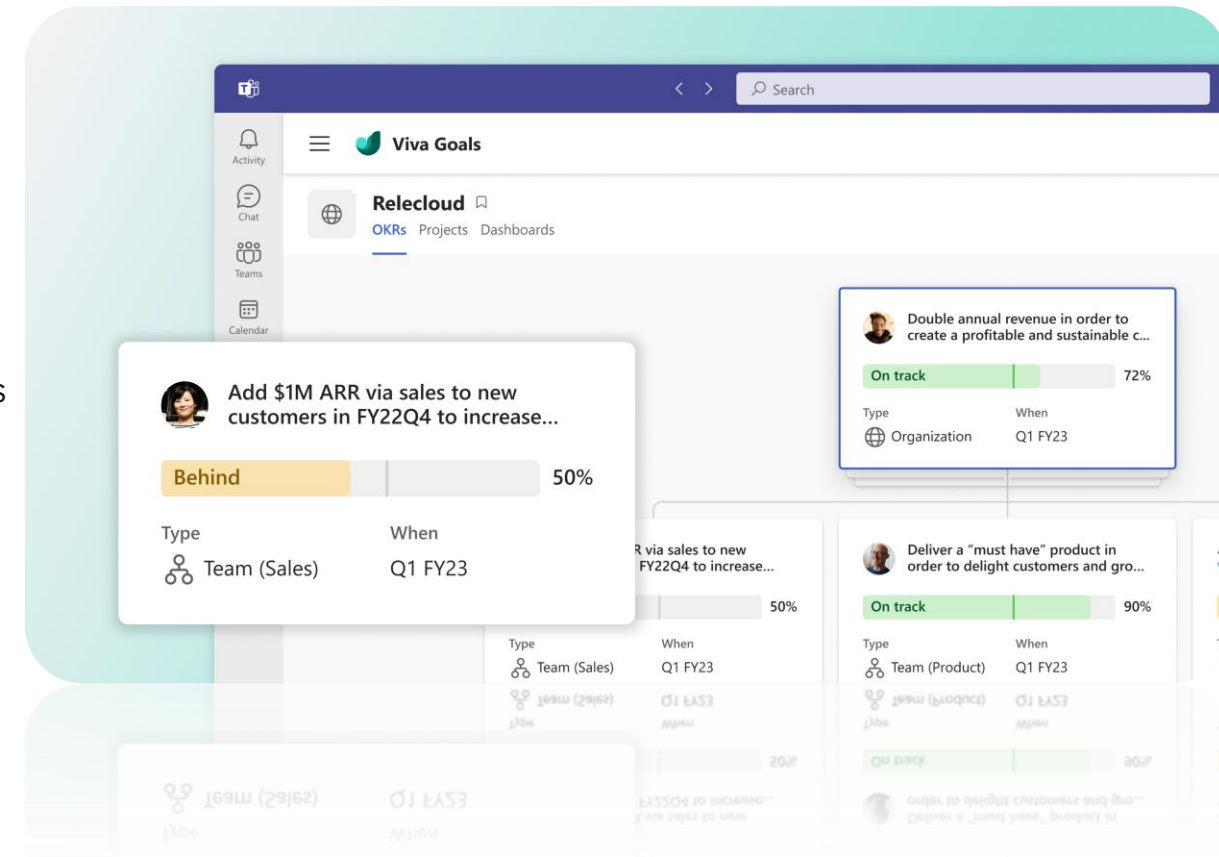

Agility

Frequency of assessment is critical for agility, and real-time data enables faster decision making

Achieve

Striving for incredibly ambitious outcomes and reaching for what's possible

Our Approach

Discovery

Viva Goals: Learning to measure what matters for your organization

OKRs 101

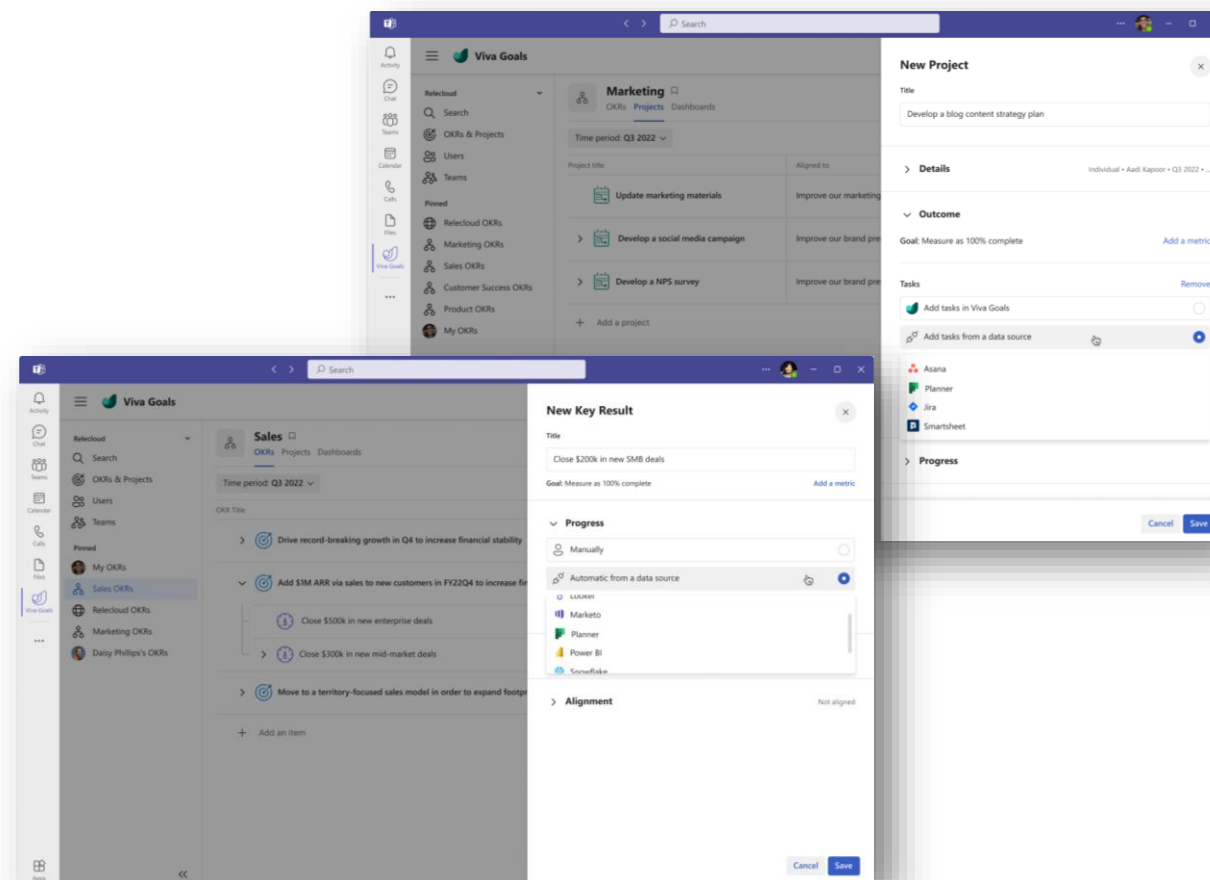

Impact and ROI of OKRs

Do's & Don'ts

Define what success looks like

Art of the Possible and Scenario

Viva Goals: Measuring what matters for your organization

Define how the organization will use OKRs

Define the rules of engagement:

Who needs OKRs?

How will we score them?

How long will OKR cycles be

What are the KR types?

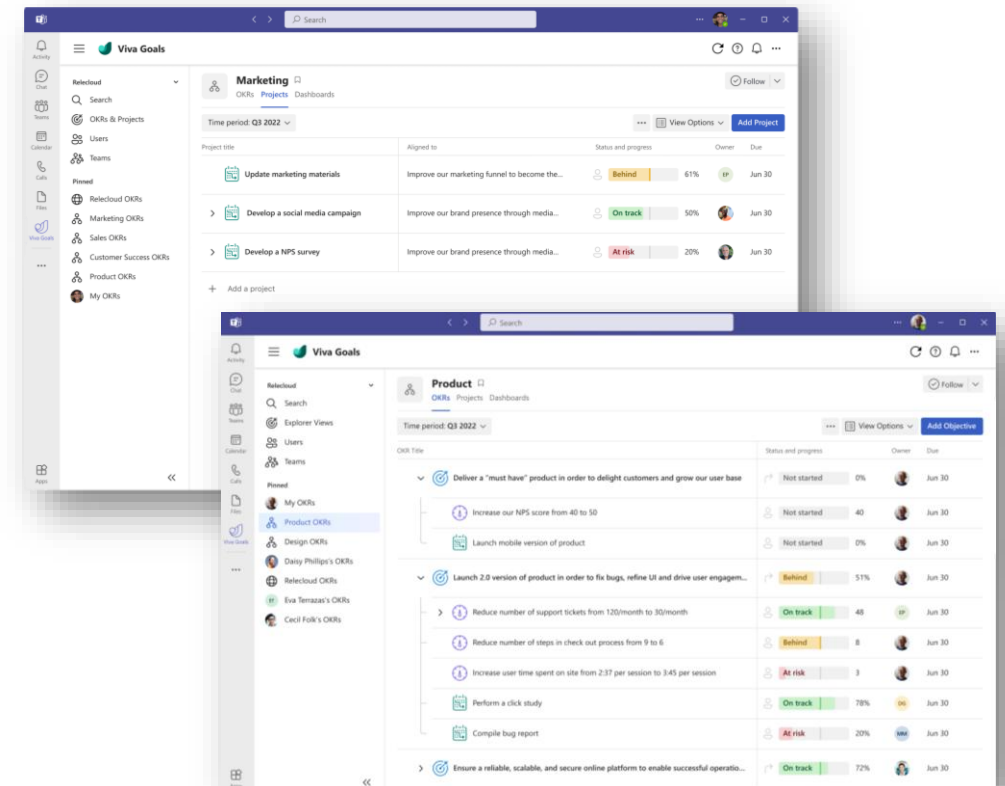

How will we draft, publish and track OKRs?

How will OKRs relate to performance reviews?

How are OKRs different than KPIs?

Deep Dive into Viva Goals

Plan with the business and develop roadmap

Viva Goals: Our plan will help you measure and optimize the things that matters to your organization and covers several areas:

Begin strategy mapping

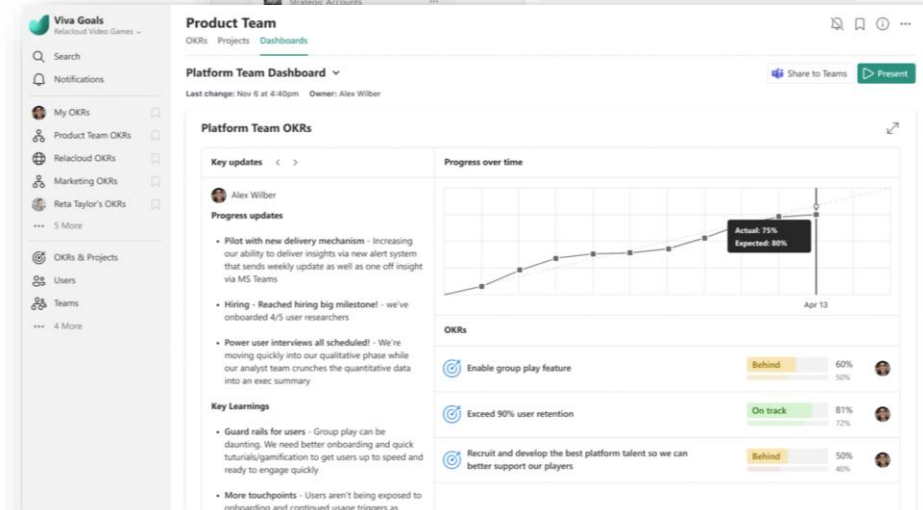

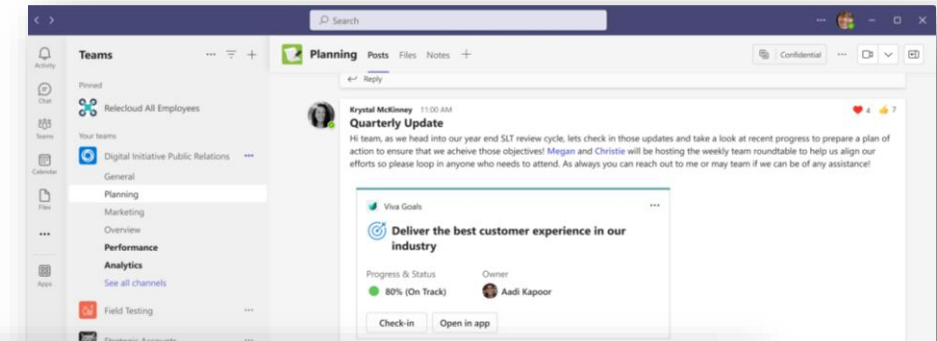

Begin building company-level
3-month and 12-month OKRs

Begin heat mapping to high
contribution areas and high impact teams

Begin reviewing Factors for
Ongoing Success

What's next for **you**?
