BENEFITS

Microsoft Copilot is a new AI-powered productivity suite, harnessing the capabilities of large language models (LLMs) and your data to enhance your daily work efficiency. It seamlessly integrates with your Microsoft 365 productivity tools, including Word, Excel, PowerPoint, Outlook, and Teams, in addition to other Microsoft solutions such as Dynamics 365.

Based on your current stage in your AI journey, we offer four different packages to assist you in grasping, fully embracing, or building a business case for Copilot.

AI STARTER PACKAGE

Helps you understand how M365 Copilot can benefit your organization through use cases.

AI ACCELERATOR PACKAGE

Assists you in quickly preparing for Copilot.

AI JUMPSTART PACKAGE

Helps you build a business case and coalition.

AI ULTIMATE PACKAGE

Helps you plan and get ready for Copilot.
